

Mt Zion Children's Ministry

Summer Fun Program

We're excited to start a "Summer Fun" children's ministry program during church service for two-year-olds thru 5th grade that will be different from our typical services prior to the pandemic. These services will be available both Sunday morning at 10:30am and Wednesday at 7:30pm. Beginning this week and going forward, all children in this age/grade range will check-in at the theatre and go through a temperature screening process using a touch-less thermometer with parents present. The two- and three-year-olds will then go to their classroom (room 207). Those in Pre-Kindergarten thru 5th grade will stay in the theatre for fun engagement activities and a time of worship on Sunday, before moving throughout the building for instruction and additional learning experiences with their teachers/volunteers.

Drop off

- Enter at door #7 and make your way to the theatre to get checked in.
- Two and three-year-olds go to their classroom (room 207) after check-in.
- Pre-K thru 5th grade will stay in the theatre for worship.

Pick up

- Two and three-year-olds will be picked up in room 207 after service on Sunday and Wednesday.
- Pre-K thru 5th grade will be picked up in the theatre on Sunday. On Wednesday, Pre-K thru 1st will be picked up in 208, while 2nd thru 5th grade will be picked up from the theatre.

Please note, we **are not** currently offering nursery for babies or one-year-olds. In addition, we **are not** offering childcare for our 9:00am service either. We hope to add this back to our services offerings soon and will provide updates to our programs via email, church newsletter and our website as we make post-pandemic progress according to our governing bodies.

Good ministry requires good people, great ministry requires greatness. We hope you will consider getting involved in Children's Ministry and help us be great! To volunteer reply to this email or call the church office 248.391.6166.

God bless you and yours,

Pastor Rich
